1. On 11 and 12 October 1950 Soviet dependents vacated the houses on Mahnemannstrasse, Magdeburg (L 53/Y 60) and moved to the restricted area between Werner-Fritze-Strasse and Millerstrasse. \*
2. On 11 and 12 October 1950 Soviet officers' families, most of them medical officers and their dependents, also vacated the houses on Foerderstedterstrasse and moved to the restricted area mentioned. \*\*
3. Since 20 October 1950, Breitscheitstrasse, which leads to the Seeckt Kaserne, the Adolf Hitler Kaserne and the Hippel Kaserne, has been blocked to civilian traffic by a barrier and a double sentry.

- 25X1A \* Comment. Mahnemannstrasse, or Hannemannstrasse, is situated in the Lindenhof City district, in the southwestern sector of the city. No information has been received that Soviet dependents were billeted there. According to a previous report, a Soviet radio station had been located in the restricted area between Werner-Fritze-Strasse and Millerstrasse, but was moved in April 1950. The Soviet dependents probably moved to the premises formerly occupied by radio station.

- 25X1A \*\* Comment. Foerderstedter Strasse is located north of the Suedfriedhof (southern cemetery) and connects Leipziger Strasse with Alvenslebenstrasse. Since Foerderstedter Strasse is situated near the Gustav-Ricker Hospital, it is possible that a Soviet hospital has been established in the Gustav-Ricker Hospital and that the Soviet medical officers worked there.
